

ABDO GHOSN

student

Hello, my name is Abdo Ghosn and I am studying Information Technology at Western Norway University of Applied Sciences in Førde. I am an engaged and reliable person who enjoys learning new things and working in a structured way towards goals. Through both studies and part-time jobs, I have developed good skills in collaboration, customer service, and problem-solving. I am motivated to gain more experience within IT and wish to contribute positively to any work environment where I can learn and develop further.

Education

- **Førde Secondary School**
2018-2021
- **Hafstad Upper Secondary School**
2021-2024
- **Information Technology, HVL**
2024-present

Skills

I am organized, collaborate well with others, communicate clearly, and am flexible and helpful. I am always willing to assist others.

Work Experience

● Naustdal Dampbakeri

Packaging Department

Nov 2019

I have gained experience working in the packaging department at Naustdal Bakery. Through this role, I developed organizational skills and the ability to work efficiently in teams.

● Røyst Mat & Vin

Waiter

Aug 2023

I worked as a waiter at Røyst Mat & Vin in Førde for a few months. In this role, I gained valuable experience with customer service, teamwork, and handling demanding situations in a professional way.

● Firda Revisjon og Rådgiving

Assistant (short period)

I worked for a short period as an assistant at Firda Accounting and Consulting. Here I gained insight into office work and an understanding of structured and accurate work within accounting and consulting.

● Peppes Pizza

Cook

Oct 2024

I have been working at Peppes Pizza since October 2024, both as a cook and as a permanent employee. Through this job, I have learned to work in a structured manner under time pressure and to cooperate well with colleagues during busy times. The experience has strengthened both my teamwork skills and my ability to deliver quality in a hectic workday.
